Details:

This beautiful new detached villa is under construction and you have the possibility to choose from several villa types.

The standard villa is built on 2 floors with a total living space of 106 m² with 3 bedrooms and 2 bathrooms, a separate kitchen with kitchen furniture, the pre-installation for central heating and several other extras.

Constructed in the best materials and with an influence on the interior design, the colors, etc. the property has a total plot size of 225 m², a garage and an access to a private road with a security gate.

In addition to that the property provides a shared swimming pool, but an own pool is also possible.

Location & surrounding area:

The beautiful property is situated on top hill side overlooking the salt lake of Torreveija with the Mediterranean sea in the background.

The area here is very green with plantations and also total finished. There is 1 km distance to the shopping center with several supermarkets. The new university hospital is also located in this area and the bus connection to the city center is close by.

The next beaches are reachable within 2 km and the airport of Alicante is just 44 km away from the property.

Torreveija, a small and coastal town in the province of Alicante, is located on the Costa Blanca, in the south of Valencia. About 50 km south of the city of Alicante Torreveija can be found and was originally, due to its location between the sea and two large salt lakes, a salt mining and fishing village.

Torreveija has a healthy microclimate, making it one of the healthiest climates in Europe.
