Details:

Superb luxury villa with spectacular views over the bay of Altea, a lovely part of the Costa Blanca.
This first-class luxury home offers elegance and exclusivity at a very special level.

On a plot of approximately 900m² this property offers a large pool, several open and covered terraces, as well as pretty green areas.

The breathtaking views of the sea and the beautiful surroundings make the picture perfect and give the object a special charm.

On generous-sized approx. 600m² the inside of the villa does not leave anything to be desired either. Seven bedrooms, four bathrooms, an elegant living room with fireplace and a high quality kitchen with the latest technical equipment, make sure that the comfort can be enjoyed to the highest degree. All rooms are spacious and flooded with light thanks to the large windows. Moreover, this means of course that a spectacular view can be expected from almost every room.

Location & surrounding area:

The pretty little village is situated on a hill at the Costa Blanca and is still an important fishing village. From the highest point of the village, the site of the church, a wonderful view over the whole region with its unique beauty can be enjoyed.

The cobbled streets, the typical whitewashed houses and the pretty beach promenade give the place a lovely atmosphere and explain why so many visitors come annually to beautiful Altea.
